

## USI RN-BSN Study Plan

### Expedited – two courses at a time

Each Plan of Study is individualized – Courses may be assigned in a different order than noted here. Transfer credits may be used to satisfy specific courses. There are two terms (8 weeks) per semester. 120 Total Credits for BSN Degree. Should a student require additional credits in order to meet the 120 credit requirement, those may be earned through additional courses or through credit for experiential learning. Changes in the plan of study may extend length of program.

Term 1	Term 2	Term 3	Term 4
